DETAILED ACTION

1 This action is responsive to the amendment filed on 11/3/03.

2 The terminal disclaimer filed on November 3, 2003 disclaiming the terminal portion of
any patent granted on this application, which would extend beyond the expiration date of co-
pending application No. 10/034511, co-pending application 10/096812, co-pending application
10/095657 and co-pending application No. 10/196130 has been reviewed and is accepted. The
terminal disclaimer has been recorded.

3 The cancellation of claim 32 is acknowledged. Pending claims are 1-31 and 33-35.

4 Objection to the abstract of the disclosure is withdrawn because the abstract is ranged in
about 150 words in a separate sheet wherein the different parts of the abstract can be connected
together to form one paragraph.

5 Objection to the claims is withdrawn because of the applicant's amendment.

6 The rejections of the claims are withdrawn because of the applicant's amendment.

EXAMINER'S AMENDMENT

7 An examiner's amendment to the record appears below. Should the changes and/or
additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR
1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the
payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with
Milton L. Honig on December 2, 2003.

In the claims:

In claim 29, line 1, insert -- containing composition ai and aii-- after the word "dispenser".

8 Claims 1-31 and 33-35 are allowed.

STATEMENT OF REASONS FOR ALLOWANCE

9 The following is an examiner's statement of reasons for allowance:

The amended claims required that the conditioning agent of a silicone component be present both in part ai and aii. Further, the claims also required that each of the treatment be formulated with the identical mixture of the colorant composition. The prior art of record (US 5,376,146) alone or in combination with (US 4,104,021) fails to teach or disclose the claimed invention as recited in the amended claims. Accordingly, the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of hair dyeing formulations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
